**RE: MINISTRY OF CITIZENS' SERVICES' SENIORITY UNITS IN THE EIGHTEENTH SOCIAL, INFORMATION AND HEALTH COMPONENT AGREEMENT**

The Ministry of Citizens' Services has undergone several changes since the negotiation of the 18<sup>th</sup> Social, Information and Health (SIH) Component Agreement, including the change of division names, movement of branches across divisions, and full divisions moving in from other ministries. Given this, the defined seniority units within the SIH component are no longer reflective of their organization.

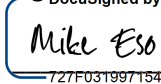

This memorandum is to confirm the Parties' agreement to amend the seniority units listed in the SIH Component Agreement to reflect the current names of the units already identified within the SIH component, as follows:
